

HARRINGTON
BY EURONICS

ATHENA

Permanent stain resistance

Great durability, resiliency and crush resistance

Anti-bacteria & Anti-fungi

Bleach resistance

Fast drying no peculiar smell

Energy saving, Environmental protection

SPECIFICATION

Product Construction	-	Tufted High & Low Loop
Face Yarn	-	100% Solution dyed Universal Nylon 6
Gauge	-	1/10 inch
Stiches	-	11 per inch
Total Thickness	-	7.5 mm (±0.5mm)
Pile Weight	-	610 g/m ² (17oz/yd ²)
Backing	-	E-Bac
Size	-	50cmx50cm
Packing	-	20 Pieces (53.8 sqft)/carton
Flammability	-	Passes (ASTM E648-10 CLASS1
Smoke Density	-	Passes (ASTM 662)
Static Propensity	-	Passes AATCC-134

Installation Method

Ashlar

Directional

Brick

Quarter Turn
